This 2-bedroom, 2-bathroom condo is located in the well-known Princess Heights Luxury Condo Hotel, positioned on the hillside above Dawn Beach. The layout follows the concept, that works well for both living and renting, where the 2-bedroom units are designed almost like two connected suites. The condo also offers separate terraces, giving a more privacy and flexibility if you want to rent one of the suites. The unit comes with a storage room. Inside, the unit is practical and comfortable, with an open living and kitchen area in the center and bedrooms positioned for privacy. Each bedroom has its own bathroom and access to the terrace, which is something people really appreciate because of the incredible ocean and hills views from each of the terraces and St Barth island on the..
