La Maddalena is a new community in Cupecoy, Sint Maarten. It's not built yet, but you can buy one of the houses now for a good price (prices start at \$625,000). These houses are designed to be modern and luxurious. They have 3 bedrooms, 3 bathrooms, a garage for 2 cars, and smart home technology. They also have beautiful gardens, terraces, and balconies with views of a peaceful lagoon. La Maddalena is a great place to live if you want peace and quiet, but still want to be close to everything. It's near beaches, restaurants, the university, and the airport. You can even walk or bike to some of these places. PRICING: 3 type of house; for 3 different size A Type: only one very big! 309 sqm or 3326sqf. B Type: Four available; Big; around 240 sqm or 2583sqf C Type: Four..
