Pelican Heights under construction. These brand new luxury condos are located in the heart of the Caribbean island Sint Maarten: Simpson Bay. The building is located on the hill, offering spectacular and one of the best views on the island! Just imagine having dip in your private infinity pool, sipping your favorite drink and watching sunset above the Caribbean Sea and Simpson Bay Lagoon waters with boats passing by and mega yachts docking. Come and see - this will steal your heart! It is a quiet location where you can enjoy peaceful living but also just steps away from the most popular and most vibrant place on the island with shops, restaurants and bars, white-sand beaches, casinos, day and night entertainment. These luxury condos are available as 1, 2 and 3..
