This is one of the many condos available in Porto Cupecoy, with options ranging from 1 to 4 bedrooms, including penthouses. Plenty of choices - contact us to find the perfect one for you. This ground-floor condo offers a rare combination of a private tropical garden and stunning lagoon and marina views in one of St. Maarten's most sought-after residences. On one side, a large arched glass door opens to a quiet, green garden. On the other side, the living room and kitchen lead to a terrace overlooking the marina with its boats and yachts. The sliding doors create an easy indoor-outdoor flow, ideal for enjoying your morning coffee or the evening atmosphere. Bedrooms & Interiors Master Bedroom: spacious, with en-suite bathroom, walk-in..
