Beachfront residence for sale, in essence of crystal clear turquoise sea flecked with dazzling tropical sun. Plus powdery white sands stretching forever along one of the island's longest beach. Aqualina Beach Club is in fact an amazing property. Lush exotic foliage surrounding an elegant building of architectural beauty... In short all of this belongs to Aqualina Beach Club, St. Maarten's newest luxury beach front residence. Also each of the very spacious and sumptuously appoint two and three bedroom apartments. With attention to the soaring ten-foot ceilings, face the gorgeous Caribbean Sea. Which allows for perfect views from morning until the sun sets in the evening. The interior of each unit is as stunning as the view. Which provides a seamless..
