6 Bedrooms 6 Bathrooms

We have 4 waterfront unique villas available for sale. The ownership can be held in private name, corporation or offshore company name. Hidden Sunrise Heaven is a unique luxury, 15 acres located in a closed gated community with paved roads and an underground infrastructure that is within 1 mile of the secluded Guana Bay white sandy beach. All lots are approximately 1 acre; the largest on the Dutch side. Nothing is better for soaking up the atmosphere of the amazing Atlantic Ocean than a private ocean-front villa. Each villa has wall to wall and floor to ceiling windows, These oceanfront villas allow you to appreciate the spectacular view of the majestic Atlantic ocean with neighbouring St. Barts island just a short boat ride away. And all you have to do is step out of your patio door..
