Belair Plaza Offices for Sale Belair Plaza is a modern commercial and residential development located in Cay Hill, Sint Maarten. Just minutes from Philipsburg, Simpson Bay, and the new General Hospital, this project offers a convenient and strategic location for professionals, medical practices, and investors. The development consists of commercial units on the lower levels and a limited number of residential condos above. The office spaces are delivered in a vanilla-shell finish, with tiled floors, painted walls, plumbing, HVAC provisions, and data connections, ready for you to customize. Pre-construction prices of the available units start from US\$374,000 depending on size and level. Office Types Type C - 124 m²..
