Concord Residence is an upcoming condominium project in Pelican Key, a highly desirable area of St. Maarten. Situated on a hillside, it provides sweeping views of the Caribbean Sea and neighboring islands like St. Barth, Saba, and St. Kitts. Take advantage of exclusive pre-construction pricing at Concord Residence! Reserve your unit at a reduced price before construction is complete, presenting an excellent opportunity for both homeowners and investors. With its modern design, high-end finishes, and convenient location, Concord Residence is a great option for both homebuyers and investors. It’s possible to purchase an additional 21 sqm garage for $58,000, large enough to fit a car and a storage. Interested in 2-bedrooms? Click here to see the listing and prices Interested..
