Harbour View is strategically situated next to the Vineyard Building at the road to the Harbour in Philipsburg. There are still some commercial lots available. Check the layout displayed on the site for details which lots. You can build 3 floors/levels on the commercial lots and this can be a combination of office space apartments or just office space only. In the plans you have to ensure that there are enough parking spaces on your property. All the conditions for construction are specified in the planning permit. We have examples of designs just to give you an idea what is possible. Lots available. Prices are subject to changes > please contact our office for updates and availability. Construction of a house. On several lots houses can be constructed. See enclosed layout with the numbers of the..
